

DELTA CENTERS ON TOKYO, WITH MOST FLIGHTS TO HANEDA AIRPORT BY MARCH 2020

Delta has proudly served Japan for more than 70 years and its commitment to its Tokyo legacy remains strong.

Closer to Tokyo's City Center

Delta customers win by gaining quicker and closer access to Tokyo's City Center, which is one of the most important business markets in the world.

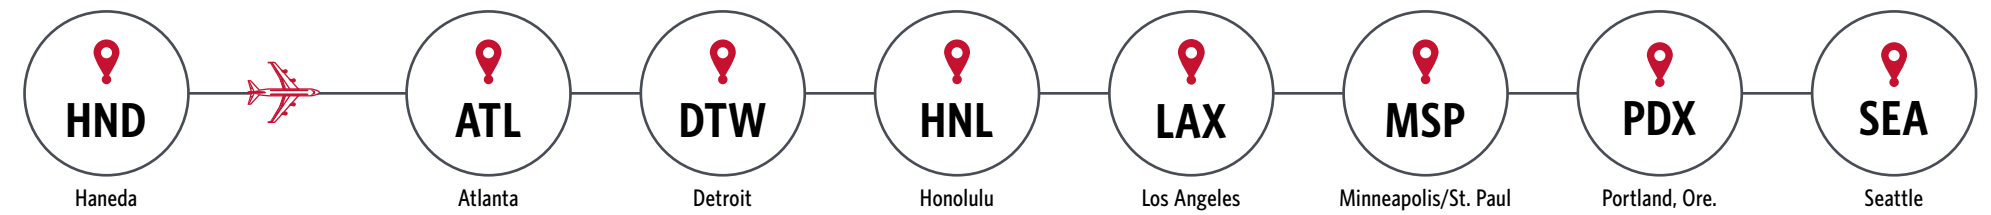

Delta will be the largest U.S. carrier serving Haneda with 7 daily flights featuring award-winning service, operational reliability and products including:

Delta One®
Private seat with direct aisle access & 180° flat-bed seats

Delta Premium Select
Dedicated cabin with more space, seat recline and enhanced amenities

Delta Comfort+®
Dedicated boarding & overhead storage as well as extra legroom & recline

Main Cabin
Classic Delta experience with New Bistro-style dining & welcome beverage
